

Become a member of the Green Pasture 1,000 Club by pledging to give £1 a week to the work of Green Pastures.

There is currently a high demand of organisations wanting to partner with us in order to house the homeless in their locality. This is placing a requirement on us as an organisation to expand our workforce. By joining the 1,000 Club you will be facilitating our ability to respond to each request for partnership.

After 10 years, I suppose we could say that we are here to stay. The small amounts that we needed when we began (gas, electricity, transport, support work wages & admin) have now grown into large amounts. And the small giving to cover the small costs now requires that larger giving to cover the increasing costs. We are looking for a lot of people to become small givers. Why not become a small giver, helping in the large task of solving homelessness in the UK.
